Dear Sir,

I am compiling a
complete bibliography of
numismatic literature for an
institution here and wish to
ask if you will be so good
as to send me a catalogue
of your library. I shall

of course be pleased to
defray its cost.

Thanking you,

I am

Yours faithfully

Dear Sir:-

Your favor of several months ago was mislaid, and has just come to light. Although we have an extensive library, it has not, as yet, been fully catalogued, and we have no printed list of what books we have. There are several printed books of numismatic works up to the year 1866, namely, J. G. Lipsius up to 1800, and J. Leitzmann up to 1866. There are also several English, German and French numismatic book sellers, who issue every so often numismatic book catalogues, which should give what you want to find out up to date.

Very truly,

Curator.
